TRADITIONALS FIESTAS

12th May – “**Es Firó**”. Sóller – Port Sóller: It commemorates the brave resistance of the town against the attack of the Saracen pirates. Captain Angelats and Les Valentès Dones stand out in the battle, symbolising the fight that the sisters Catalina and Francesca Casesnoves carried out against the Moors on 11th May 1561. In this fiesta, from 3 pm onwards on the Repic beach in Port de Sóller, the young people stage a mock battle between the Moors and the Christians. The confrontations take place at the Pont d'en Barona and end in the centre of Sóller, where the Christian side is finally proclaimed the victory.
